

Who We Are

We are a group of gentlemen who appreciate and value camaraderie, food and wine. We are but one of many chapters of an organization called Les Marmitons International, whose motto is "From Friendship to Gastronomy ."

Les Marmitons of Sandy Springs is a men's gourmet cooking club where members gather regularly to prepare and then dine on an exquisite dinner under the direction of a professional chef. Members share a common interest in fine food, good fellowship and expanding their culinary skills. In short, the club is about food, friendship and fun!

Unlike a demonstration-only cooking school, cooking at Les Marmitons of Sandy Springs is a hands-on experience where members gain knowledge and techniques of preparing and presenting fine cuisines. Members possess cooking skills from novice to foodie to experienced cook-at-home. Everyone is welcome!
